I turned from Westbound 20th to Southbound SR9. I was traveling South on SR9 about 1/2 way between 20th and S. Lake Stevens Road and I thought I saw a small animal start to enter the road from the West side. I started to slow and looked away briefly. When I looked back traffic had slowed considerably in front of me. I checked my passenger side mirror for traffic in the outside lane, which was clear, and tried to swerve to avoid hitting the car in front of me. Then I ended up hitting the ~~left~~ rear corner with the ~~right~~ front corner of my car.
